Q: Can we play music during our games?

A: The HOME team has first right of refusal to play music. If the HOME team elects not to play music, the VISITOR team is welcome to play music. Bluetooth will be available in all 4 arenas. Please use the Bluetooth provided- do not play music from the minor official box.

Penalty Box Operators are **not** permitted to play music as they are responsible for counting shots on goal for your team.

Please ensure your team plays music that is appropriate for all ages and in the spirit of fun and sportsmanship.

A: Team Photos will be available for pickup at the Closing Ceremonies/Banquet. Please Note: You will *not* need to show your ShowPass QR code to have your team photos taken.

Q: Do we need sticker labels for game sheets?

A: No. While the minor official scorekeepers we provide will be using a physical game sheet, they will also be inputting all game data into the RAMP Game Sheets app. Managers and Head Coaches will not be using physical game sheets. Managers and Head Coaches will be using RAMP Game Sheets App to verify their rosters at least 1 hour prior to game time.

Q: How do we use RAMP Game Sheets App?

A: We will send an email that includes an instructional document for using RAMP Game Sheets App as well as a spreadsheet of unique Team Codes and Visitor/Home Codes. You will need to use the unique Team Code we provide to load your WCRC games.

We highly encourage all Managers and Head Coaches to load their games to the app prior to arrival.
